**RE: AT&T Services, Inc. and AT&T Corp. v. 123.Net (d/b/a Local Exchange Carriers of Michigan and/or Prime Circuits)  
Proceeding Number 19-222  
Bureau ID Number EB 19-MD-007**

Dear Ms. Dortch:

On behalf of 123.Net (d/b/a Local Exchange Carriers of Michigan and/or Prime Circuits) ("LEC-MI"), I have enclosed for filing via ECFS the Public Version of its Answer and Legal Analysis in Opposition to AT&T's Formal Complaint in this matter ("Answer"), along with its supporting exhibits, Information Designation, Declaration of Michael Starkey, and First Request for Interrogatories to AT&T. As contemplated by the Commission's rules and the August 7, 2019 Notice of Formal Complaint, all confidential information has been redacted from this Public Version. For clarity's sake, the only information redacted from the Public Version are the AT&T documents in Exhibit C to Mr. Starkey's Declaration.

LEC-MI is separately filing via hand delivery an original and three (3) additional unredacted copies (marked as "Courtesy Copies. EB-MDRD, 202-418-7330") of the Confidential Version of its Answer filing package. In addition, copies of both versions of the submission are being served via email on AT&T's counsel and Commission counsel.

Please contact me if you have any questions regarding this filing.

Respectfully submitted,

Joseph P. Bowser
